Workshop : IT WORKSHOP

Resource Person : P. Bhanu Prakash, Assistant Professor.

Targeted : Technical staff.

Objective:

The objective of IT workshop is to impart basic computer usage and maintainance skills and to introduced to a suite of productivity tools that will aid in the day to day activities.The IT WORKSHOP prepares the participant to have a hands on experience in maintaining and trouble shooting a P.C by themselves.To enrich the technical knowledge to the non teaching staff and this helps to identify Hardware and software.

With this they learn how to assemble and dissemble hardware and known how to use applications in computer by using software.

OUTCOME:

Put a suspect component in a situation where everything else works.

Introduce the types of Hardware and Softwares that may use applications in day-to-day activities.

Helped technical staff to prepare their individual development plan. Identifying technical tools and know about softwares has been attained. They acquired the knowledge and developed the skills necessary to reached goals. Participated in workshop and got the clear idea about IT Workshop.
