Submitted to the Principal,

A report on Virtual FDP on Research, Innovation & Techno-Entrepreneurship (RITE-2021) held on 14-18, June 2021.

This FDP held for 5 days with 2 sessions per day basis. More than, 560 participants, including students and research scholars are attending. We got responses from 15 countries, including Aisa, Africa, and South America continents. The FDP inaugural session started with a welcome note by Dr. K.V.V.N.Rao, Vice Principal in 14, June 2021. Dr.Naveen Killari delivered his presidential address and outlined the need for developing the entrepreneurship ecosystem at educational institutions.

The First session, was engaged by Dr.Shvets Yuri Yuryevich, Financial University under the Government of the Russian Federation, Russia delivered an inspirational talk a "Design Thinking". He emphasized the design thinking practice for product development. In the second session, Dr.Ramesh Chandra Panda, Synergy Institute of Engineering and Technology, Odissa delivered a talk on the need for innovation for economic and social development and IPR practices. Further, he shared some of his inventions, which are most useful to society.

On 15/6/2021, Dr. Andi Asrifan, University of Muhammadiyah Sidenreng Rappang, South Sulawesi, Indonesia engaged in the third session. He discussed various education models to promote the innovation and research culture among the students. The fourth session dealt by Dr.Muthmainnah, Al Asyariah Mandar University, Indonesia. Her session covers designing the research and development in the virtual era.

On 16/6/2021, Dr.Naveen Kilari, Principal, Vemu Institute of Technology, Chittoor emphasized the need for entrepreneurship and motivated the participants with plenty of entrepreneurship models. In the sixth session, Dr. Purushothaman Balakrishnan, TANBIO R and D Solution, Periyar Technology Business Incubator (PTBI), delivered a talk about current trends in research and entrepreneurship.

On 17/6/2021, Mr.Thinesh Karthikeyan, SciTech solutions, Salem spoke about the various initiatives for the financial arrangement for entrepreneurship and Startup activities. Further, he demonstrated a mobile app for generating project proposals for a bank loan, which was impressed by the majority of the participants. Session 8 was engaged by Mr.K.Venkata Kamesh, Sri Vignan Technologies, Tirupati. He shared his experience while making few complicate prototypes.

On 18/6/2021, Dr.A.Mahamani, Dean R&D, Vemu Institute of Technology delivered a talk about the preparation of the research proposal and various funding agencies who are supporting entrepreneurship and Startup activities. The last session was engaged by Dr.P.Sakthivel, Karpagam Academy of Higher Education, Coimbatore, and delivered a lecture on the ethics of writing a research article. He advised the research scholar to make utmost care to avoid plagiarism issues.

The FDP valedictory session starts with valedictory remarks by Dr.Naveen Kilari and he appreciated the organizing committee for conducting this FDP in a smooth manner. Dr.A.Mahamani proposed a vote of thanks. Few participants have also appreciated the coordination of the organizing committee.
