Date: 13/03/2022

Circular

It is here by informed to all the technical staff of ME that there is a 1 day Skill Development Program on “**Maintenance Of Lab Equipments**” from **15-03-2022** by Mr. Srikanth, Managing Director, Hi-Tech Enterprises, Chennai.

Hence all the technical staff are instructed to participate in the workshop without fail.

Venue: ALL ME LABS.

Time: 9.30 am to 1.00 pm

1.50 pm to 4.00 pm

REPORT

Work Shop: A one Day Skill Development Programm on Maintenance Of Lab Equipments

Date: 15-03-2022

Resource Person: Mr. Srikanth, Managing Director, Hi Tech Enterprises, Chennai.

Targeted staff: ME Technical staff

OBJECTIVE

1. The main goal of equipment maintenance is to keep equipment in optimal working order. When proper regular maintenance is applied to a piece of equipment it maximizes its production output and increases its useful life. This course aims to provide a good platform to mechanical engineers.
2. To prepare them to carry out experimental investigation and analysis at later stages of graduation. Routine maintenance of laboratory equipment will ensure that the experiments are conducted efficiently and without malfunctions, and will avoid unnecessary repair expenses. A clean laboratory without dust and dirt is the basis for proper equipment

OUT COME

In this skill development programm we will Build thorough knowledge of various tools, machines, devices used in engineering practice. Acquire thorough knowledge of carrying out various operations in mechanical engineering laboratories, Utilize measuring skills gained in workshop practice. Acquire Hands on training and practice to students for use of various tools, devices and machines. Acquire skills in basic engineering practice for creating objects from raw materials ,Utilize practical skills in guiding works the trades.

The following steps used to improve the lab efficiency

Steps to Increase Your Lab efficiency

Eliminate waste.

Empower your team.

Organize your lab.

Track issues.

Manage information.

Label your samples.

Calibrate your instruments.

Automate your processes.
